Helios Optima Grata

Helios Optima Grata is a great example of a fawn boxer stud. He is an imported champion with a great AKC pedigree. Helios also boasts both hip and spine certifications. To learn more about him, call Alvin at (717)799-8618.

Putin Vom Amur

Putin is of Champion Bloodlines imported from Germany and currently lives in Pennsylvania. He has IPO/1 working title. His hips are recorded in Germany as A2, his elbows being normal. He has the pedigree of top showing dogs in Germany, with some VA1 & V ranked and/or Schutzhund titled individuals. Putin is registered with the German SV, has his "pink papers", and is also registered with the AKC. This Sire has a gorgeous black and red color, with a dark face. His red is a deep mahogany red and his hair coat is the short stock coat. His "dog-
onality" is super, as Putin is intelligent and friendly, while still having a his protective instincts.
